

HAPPY HALLOWEEN!

As you are well aware, Halloween is fast approaching. On October 29th & 30th our classes will have small parties and I have a couple of requests.

First, I wanted you to know that I will take responsibility for organizing the events and purchasing refreshments. We will only have about one hour to celebrate and the parties will be relatively modest, but it would be helpful to have a small donation from parents. In the past, first-grade teachers have asked for a monetary contribution that would fund classroom celebrations. I am asking each student to bring \$5 for the fund. Remember, this will be used to cover the cost of **ALL** celebrations (Christmas, Valentine's Day, & Cinco de Mayo).

Also, I am making a change to the costume policy. Students are allowed to bring their costumes to school on party day but do not send a Halloween mask. We've been wearing masks all year and they will need to stay on at the parties! It should be noted that the school **DOES NOT** allow weapons as an accessory, either. Please keep them at home. The outfits should be worn over the clothes and it's helpful if children are capable of managing their own attire. Keep it simple.

If you have any questions or concerns, please contact me personally.

Mr. Cole
