

HAPPY HALLOWEEN!

As you are aware, Halloween is fast approaching. On October 29th our class will have a small party and I have a couple of requests.

First, I wanted you to know that I will take responsibility for organizing the event and purchasing refreshments. We will only have about one hour to celebrate and the party will be relatively modest, but it would be helpful to have a small donation from parents. It would be great if each family could donate \$5 for the fund. This will be used to cover the cost of **ALL** celebrations (Christmas, Valentine's Day, & Cinco de Mayo).

Also, I am making a change to the costume policy. Students are allowed to bring their costumes to school on party day but please do not send a Halloween mask. We've been wearing masks all year and they will need to stay on at the party. It should be noted that the school **DOES NOT** allow weapons as an accessory, either. Keep them at home. The outfits should be worn over the clothes and it's helpful if children are capable of managing their own attire. Keep it simple.

If you have any questions or concerns, please contact me personally.

Mr. Cole
