

First Grade

MR. COLE - ROOM 117

ISSUE # 1

OPEN HOUSE ...

With the school year soon approaching, I wanted to take this opportunity to invite incoming first graders and their parents to the official SCES Open House on Wednesday, August 30th, 3:30-6:00 PM! The evening will be an introduction to myself, Mr. Cole, and the typical first grade school day. I will be more than happy to address any questions or concerns at that time and I look forward to meeting the proud parents of students in Room 117! If you are unable to attend and are interested in taking a peek at our classroom, feel free to stop in sometime. I will be at the school from 7:30 AM - 3:00 PM during the week of August 28th.

Hasta Luego (See You Soon)!

ONE MORE REQUEST ...

I understand that each student has received a newsletter that included essential items for the upcoming school year. I do have an additional request that has always fit seamlessly into the daily routine. Each day we'll have a snack break, but I've learned over the years that students often forget to bring something. It can be disheartening. To avoid this, I would like to ask each student to bring some snacks that can be shared with the entire group. This will ensure that everyone has a treat, and allow parents to send only one snack at the beginning of September and at intervals during the year. We currently have 16 students in our class and it would be appreciated if the snacks have some nutritional value. Also, I can only accept items that come **individually packaged**, for safety reasons. If you have any questions feel free to contact me. This will really help us get a jump start on the school day. (Please consider sending a water bottle as well.)

Thank You!
