## Book Reviews & Authors

### AMAZING ANIMALS -

This week Mr. Cole's first graders are using literature to learn about some interesting animals. They've looked into the question, "What clues tell you why animals look as they do?" Students are even reading informational texts about a variety of creatures, and learning more about animal classifications.

The class will soon be introduced to the classic fairy tale, "The Ugly Duckling" as well.

#### Comprehension:

Points of View

Context Clues

#### Spelling (3/27):

go, so, no, home, note, robe, do, you

#### Reading:

four, large, none, only, put, round

## Math & Science Frontiers

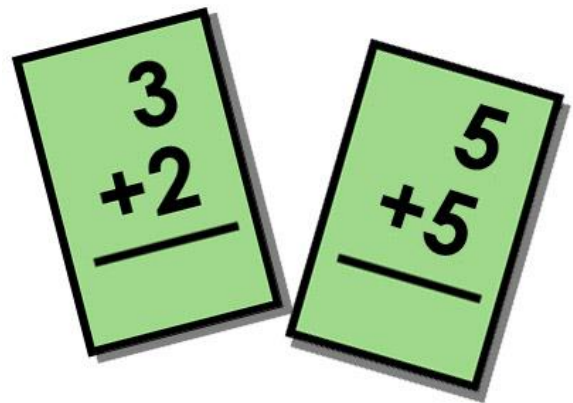

### ADDITION FACTS -

First graders continue to work on mastering basic addition facts. The grade-level goal is for children to know all of the facts ranging from numbers 0-9.

Knowing these facts automatically is becoming very important, because difficult concepts are on the way!

Please continue to practice addition at home. If you do not have flash cards, please contact Mr. Cole. There are usually extra materials in the building.

As always, thank you for your cooperation and ongoing support.

## FRESH OFF THE NEWSWIRE

- **No Spelling Homework!**  
No test the week after break. 😊
- **Quarter End**  
March 27<sup>th</sup>
- **No School**  
3/28 - 4/02

## Quote of the Week

Write to be understood, speak to be heard,  
read to grow ...
